Hello Gabe,

Thank you for organising this unusual format for a town hall meeting.

I am sure there will be many interesting points discussed, especially as regards the Governor's Emergency Act. related to COVID-19.

I notice that you do invite written comments from the floor and my comment is:

An appeal, to all members of our community, that when we are in public places and need to interact with other people outside of our home-cocoon, that we "Act as if we have the COVID-19 virus, and do not want to spread it to others", observe social distancing, and wear masks or a scarf over our mouths. Do this with the intention of keeping the staff our Post-office, grocery stores, service-station, Civil Servants and all people with necessary jobs serving our community, healthy. We are all connected - we all breathe the same air and how we handle ourselves has wide effect. Thank you!

Thank you Gabe,

Stay safe,
Julie
